

# Welcome

Message from our Principal  
**Sonia  
Tannous**

**“We are blessed to have highly skilled and passionate teachers that work endlessly to ensure the needs of all students are met, not just academically, but socially, emotionally and spiritually.”**

It gives me great pleasure to welcome you to Holy Cross Catholic Primary School, Kincumber nestled in a tranquil part of the Central Coast with no passing traffic at the foot of the mountain.

We are committed to educating our students for today and tomorrow with highly qualified and skilled staff to provide an environment where your child is challenged and develops a love of learning. At Holy Cross, we graduate our students with the values of respect, cooperation, learning and discipleship.

Learning in our community is characterised by nurturing the growth of the whole child. We strive to instil gospel values, academic success and a repertoire of life skills including resilience, negotiating and curiosity to each and every one of our students.

Working alongside our parish and parent community strengthens our core belief that together we can make a difference. Our whole community has a place within our school and we welcome you all.

As Principal, I believe that every student deserves the best education that they can receive and that it is our responsibility as educators to deliver that to them. Our commitment to ensure a personable and loving community, that underpins each family’s presence, is the foundation that Holy Cross is built upon.

## Communication channels

At HCK, we emphasise a strong partnership with parents in their children's education. We offer various communication channels, including appointments made via the school office, the Compass platform for updates and information, and Learning Overviews at the start of each term.

Parents can contact staff via email. In urgent matters, it's best to call the School Office.

We encourage parents to keep their contact information up-to-date. Additionally, we encourage families to read our **School News emails** and to connect with us via **Facebook** and **Instagram** (see back page for our official social handles).

# Our Mission and Values

**Holy Cross Kincumber is so much more than a school. We are a thriving, highly regarded and personal community, that walks in partnership with families to ensure the academic, emotional and spiritual growth of every child.**

Growing curious, resilient young adults who are proud of their faith and individuality, ready to share their unique gifts with the broader community. Offering greater connection and opportunity, as part of the Catholic Schools of Broken Bay.

Holy Cross, as a Catholic School in the Diocese of Broken Bay, provides a high quality education for 21st century learners.

In this peaceful place, we welcome and care for every person as made in God's image.

We nurture an enquiring mind, a faithful heart and a resilient character enabling each and every child to be all that they can.

We guide our children on a journey of growth as followers of Jesus and life-long learners.

We do this through a partnership of parents, the school and the church within our local community.
